

## **AAS (2-year) Degree in ‘Military Leadership’ Opportunity For Retired Military/JROTC Instructors with Fort Hays State University and Rio Salado College**

JROTC Instructors requiring and desiring strictly a two-year degree have the opportunity to acquire it through a joint program with the *Fort Hays State University* (FHSU) and *Rio Salado College* (RIO), sponsored by *RTG & Associates, Inc.* This program is 100% on-line and very affordable. Students without VA Benefits, we urge you to use a pay-as-you-go system; or what we call PAYGO.

The relationship with Rio Salado College provides for a generous acceptance of both the service-member’s prior transcribed college credits and of the ACE recommended credits contained on the services’ provided [AARTS](#), [SMART](#), or [CCAF](#) transcripts. Final degree will come from Rio Salado College, and requires their acceptance of ACE recommended credits from the JROTC Instructor’s AARTS, SMART or CCAF official transcript(s), within the guidelines of their Degree Standards.

First, instructors complete FHSU’s five core education courses (*Contemporary American Education (TEEL 670)*, *Classroom Management (TEEL672)*, *Educational Psychology (PSY 670)*, *Secondary Methods (TEEL 674)*, & *Learning and the Brain (TEEL 675)*). These courses are directly related to JROTC on-line distance learning or individual learning courses sponsored by their parent services. Register with the assistance of your *RTG & Associate, Inc. counselor: Air Force/Navy/Marines/Coast Guard – Joan Perry; Army – Harold Tucker.*

Then, during your semester with FHSU as a ‘non-degree seeking’ student initially, have forwarded by the appropriate agencies/institutions all official transcripts to **Rio Salado College, POC: Yvonne E. Lawrence, 2323 West 14<sup>th</sup> Street, Tempe, AZ, 85281 Tel# 1-800-517-8590.** Important: Remind your Rio Salado College admissions counselor that you are a JROTC Instructor and as such qualify for the special \$125 per credit JROTC tuition rate.

Here is a breakdown for each institution. All credits/courses are 100% on-line.

### **FHSU:** (No registration fees)

TEEL 670	Contemporary Education (Dynamic Teaching)	3 credits	\$504.00
TEEL 672	Classroom Management	3 credits	\$504.00
PSY 670	Educational Psychology	3 credits	\$504.00
TEEL 674	Secondary Methods	3 credits	\$504.00
TEEL 675	Learning and the Brain	3 credits	\$504.00

### **Rio Salado College:**

Tuition Rate will be \$125 per credit. Number of credits required for the degree: **64**  
Individual student’s requirements unique to their academic background. Students are guaranteed the transfer of their FHSU Core Education Credits (**15**).

The subsequent degree is then awarded by Rio Salado College.
